25X1

7. [redacted] Office of DD/I, met with Representatives Rodino, (D., N. Y.) Rogers, (D., Colo.) Grider, (D., Tenn.) McClory (R., Ill.) and Mr. Garner J. Cline, Counsel, House Judiciary Subcommittee, and Mr. Don Benn, Minority Counsel, in continuation of the briefing and anticipated Far East trip of the Rodino group to Japan, Vietnam, Singapore, Thailand, India, Lebanon and Turkey. See Journal item of 20 October. Captain Grider and Representative McClory will be travelling only to Vietnam. Representative Rodino expressed the appreciation of the group for a very excellent briefing and indicated that they had received many briefings in the past but none, in his judgment, that provided as adequate and appropriate a basis for the guidance of the members.

25X1

8. [redacted] Office of Security, met with Col. Theodor Girouard of the office of ACSI, and reviewed with Colonel Girouard the suggested changes in ACSI remarks concerning Agency directives in the Intelligence Community concerning use of the polygraph and personnel clearance procedures. Colonel Girouard was most appreciative of the suggested changes, accepted them wholeheartedly, and indicated that the new material provided in his judgment, relief from areas of problems that had been anticipated by their office in dealing with the Moss Subcommittee of Government Operations. Some advice and guidance was also provided Colonel Girouard with regard to Agency experience in dealing with the Committee and its staff on Agency use of the polygraph.

25X1

9. [redacted] Met with Mr. James Gehrig, Senate Aeronautical and Space Sciences Committee, and provided, verbally for the Chairman's information, certain current information relating to French-Soviet meetings concerning joint communications satellite negotiations. See Memorandum for the Record for details.
